

Our History

Bric Housing established

Bric was formed from three smaller community housing providers - Better Housing Projects, Redback Housing and Cabbage Tree Housing.

Refurbishment of Jordan Terrace, Bowen Hills

Refurbishment and upgrade of studio unit complex - with installation of solar panels and air conditioning.

Refurbishment of 593 Boundary Street, Spring Hill

Partnership with Mission Australia to provide 24/7 onsite support. Much improved accommodation for tenants - double rooms with own kitchenette/living area.

Portwood Street, Redcliffe

Construction of 18 one bedroom units for long term housing.

2008

Nation building

370 new homes - throughout the middle/outer northern suburbs of Brisbane, the Redcliffe peninsula, Caboolture and Rothwell.

Migrant services program

Providing housing with support for recently arrived migrants.

2020

2022-2023

2009

Accreditation under the National Community Housing Standards

550 homes in management.

2012

Norman Terrace, Enoggera

Bric's first construction completed - 11 units.

2015

Redcliffe supported accommodation

16 self-contained units - supported accommodation for people with complex needs coming out of homelessness - partnership with Open Minds to provide 24/7 on site support.

2021

Refurbishment of Harcourt Street, New Farm

Much improved accommodation for tenants - double rooms with own kitchenette/living area.

2020-2022

New Headleasing programs

Housing with support - working closely with the Salvation Army, Community Qld and other mobile support providers - a housing first approach. Includes Headleasing with support coordination for women escaping domestic and family violence.

2023

Norman Parade, Clayfield

Retirement village - units for seniors including older women, in partnership with Community Qld.
